

## HUNGRY?

This year more families are. They are facing difficult choices between increasingly expensive food, fuel, medicine and other necessities. The pain is real. Our local food agencies are witnessing it firsthand.

Requests are up. Worsening financial problems leave more families needing assistance.

Donations are down. Pantries across the nation are more often reporting empty shelves.

## WE CAN HELP.

This March the Scouts of the Pathway to Adventure Council are conducting their annual Scouting For Food service project. We will be collecting food donations throughout the Chicagoland and Northwest Indiana area to replenish the shelves and ease the pain.

Together we can

## Make a difference.
