

GO EXPLORING

(Girls Outdoor Exploring)

ADVENTURE - FUN - FRIENDS

G.O. Exploring

Pathway to Adventure Council is preparing for National's Vision in 2019. Is your Troop going to have the FIRST Female Eagle Scout in the Council or even in the Boy Scouts of America? Get ready for success today. Create a G.O. Exploring Unit and prepare your future Scouts to learn the basic skills of Scouting as well as the Patrol Method. The future leaders of your troop will be able to test-out of skills as soon as they officially join the program in 2019, advancing faster through the ranks to Eagle.

GO Exploring was founded by Tom and Wendy Herb - members who have been engaged in Scouting for over 15 years.

We are offering a program for your middle school girls to participate in adventures, develop their confidence and leadership skills, make lasting friendships, learn new skills, and have fun. Introducing GO Exploring: a unique program for 6th, 7th, and 8th grade girls within the Chicagoland area. GO Exploring is an affiliate of the Boy Scouts of America. This relationship provides our GO Exploring girls a program with tremendous resources and support to succeed in the future of Scouting. Even cooler? It's just for girls!

If you have a 6th, 7th, or 8th grade girl who is interested in the outdoors and would like to be part of a special, innovative group proving the success of girls in the Boy Scouts of America, then we have the program for you!
