Robert Lugiari

Camp Director, Camp Napowan Boy Scout Camp, Pathway to Adventure Council

My name is Rob Lugiari and I am excited to be a part of the PTAC Outdoor Adventure team! I am a 2006 Eagle Scout from Naperville, IL and a lifelong Scouter. When I was 15 I began my ten-year staffing career working at Camp Napowan in the Nature Area, where I would eventually become Nature Director. I was the Program Director at Camp Napowan for two seasons, until my most recent stint as Camp Director. Many campers and adult leaders

know me by camp nickname, Raab. During this time I was inducted into the Order of the Arrow, receiving the Vigil honor. I graduated from Bradley University and served as a District Executive for the Blackhawk District. Currently, I am a Social Studies Teacher at Naperville Central High School.

Sam Canchola is a graduate of Ferris State University where she obtained her B.S. in Recreation Leadership and Management. Currently, she serves as the Cub Scout Camping Director for Pathway to Adventure Council. Owasippe Scout Reservation has been the core of what has driven Samantha throughout her education and Scouting profession. At the age of 14 she had her first experience as a Camper at Camp Reneker (Go For It!) from 2004-2007. From there, she became a staff member in 2008-2014 serving in the roles of COPE instructor, Blackhawk handicraft instructor, COPE Director, and finally serving as High Adventure Director. It was the invaluable life and leadership skills she attained as a camper and staff member that made her feel she had an obligation to make sure others had to the same opportunities as she had. Currently, Samantha works toward accomplishing that goal by continuously striving to enrich the quality of program we provide for our Scouting families. In her free time, Sam also participates as a member of the Owasippe Staff Association. Samantha continues to look forward to giving back to Scouting all that it has provided for her.
