For five decades, Camp Reneker has provided quality camping experiences to Scout families at a very affordable cost. Nestled at the south end of Owasippe Scout Reservation, Reneker Family Camp provides outdoor recreation programs for the whole family.

Camp Reneker offers 40 cabins arranged in two clusters of 20. Our cabins sleep 4-5 people and have kitchens and living rooms. Each cluster has a central, private toilet and shower facility. These two central buildings also have laundry facilities. Families provide their own meals but numerous food options will be available during your stay at Reneker.

Other features available when staying at Family Camp include a swimming pool, basketball courts and a trading post. All of this comes with a dedicated staff whose goal is to assist each family in getting the most out of their camp experience. Join us for all the fun and adventure.

## CAMP RENEKER PROGRAM

Camp Reneker offers a wide range of programs for all ages. The day starts with age-appropriate activities and continues into the afternoon and evening with family oriented programs. Your Cub Scout can even earn numerous activity awards!
