

The Pathway to Adventure Council Advancement Committee Proudly Presents:

SCOUTBOOK

Training Workshops

Scoutbook is the BSA's online tool for managing and tracking Scouting advancement. It also has tools to help increase the efficiency of your unit including messaging, forums, calendars, and tracking of service, hiking, and camping hours.

The best part? As of January 1st, Scoutbook is completely FREE!

How does this system work?

How do I access it?

How do I enter in advancement for my unit?

We've got answers to all your Scoutbook questions! We are offering four workshops held across the Council to help you learn Scoutbook, answer any questions you have, and unlock the simplicity of tracking advancement in 2019!

Bring your laptop, tablet, and/or mobile device, with your questions, and great spirit to one of the following sessions this February!
