Units contribute to the district and council Journey to Excellence results through trained leaders, reporting of camping and community service hours, recruiting and retention of Scouts, and attention to Scouts' advancements. Unit performance in the key areas of membership, camping, leader training, advancement and community service significantly impacts units and their district's record in the Scouting Journey to Excellence. Units can track their own Journey to Excellence in 2017 by using the Scorecards available for [Packs](#), [Troops](#), and [Crews](#). Unit commissioners are available and interested in helping each unit achieve excellence in service to youth. Not sure who is your unit commissioner contact your [District Commissioner or Executive](#).
