Unit responses needed by March 15

Cub Scout, Boy Scout and Crew Unit Leaders,

I need your help in completing a Survey that will take less than 3 minutes. The survey has two sections; recruiting and fundraising. If your unit only recruits from Cub Scout units you will be able to skip section 1. We need at least one survey response from each Unit by March 15.

Simply select the link below and answer the questions.

This survey is based on the Signal Hill Town Hall process that many units have provided great feedback, however to make the greatest impact, we want to be able to represent the opinion of all our Units.
