

Discover LUZIA, where a waking dream transports you to an imaginary Mexico. Experience a wondrous world that inspires you to explore your senses, enveloped in light and nurtured by rain. Inspired by the cultural richness of Mexico, Cirque du Soleil's upcoming Big Top production LUZIA features original music written by Canadian composer Simon Carpentier. The LUZIA album takes Carpentier's original music, written for a live acoustic setting, and passes it through the filter of the electro-pop of Nortec Collective's Bostich + Fussible - infused with brassy Mexican and Latin American sounds.
