

2019 Pathway to Adventure Council-wide Camporee

October 11-13, 2019 – *Busse Woods (Elk Grove Village, IL)*

This **Future Frontier camporee** will be open to all PTAC Cub Scouts, Scouts BSA, Venturers, and Sea Scouts. Unit leaders please put this event on your unit calendar and plan to have your unit participate by camping for the entire weekend, or attending as a day participant to stay through the Saturday Arena Show.

Scouting is a great adventurer and the **Future Frontier Camporee** will be a memorable Scouting event. If you are a volunteer and interested in being part of making this event possible, your help is needed on a Camporee sub-committee.

Camporee sub-committees:

- **Activities** – Cub Scouts, Scouts BSA, Venturing/ Explorers, Sea Scouts, Special Events, OA, etc.
- **Administration & Logistics** – Registration, Recognition, Trading Post, Health & Safety, Security, etc.
- **Finance, Fundraising & Sponsorships**
- **Marketing & Promotions**

If you know someone who would be a good fit for one of the sub-committees, please let them know about the volunteer opportunity for this Pathway to Adventure Council inaugural council-wide Camporee.

This event will feature “wow!” activities and programming designed around both Scout/Troop-centric activities and fun activities. The ultimate vision is to design an event with programming that isn’t always available and provide an opportunity to any Scout within PTAC to participate, right in their “own backyard!”

If you would like to get involved in the 2019 Camporee, or would like more information, please contact:
