We’re bringing the STEAM in Scouting program to North Park University!

Hosted one Saturday a month from 9:00am to 1pm, open to all interested 6th-8th graders, this innovative program will be led by staff and researchers from North Park University.

We will be covering the following subjects this year:

- Drones (November 16, 2019)
- Mobile Development (January 18, 2020)
- Cyber Security (February 15, 2020)
- Communication, Coding, and Mini Sphero (March 21, 2020)
- Nature Drawing and Journaling (April 14, 2020)

The cost is $50 per student for the program.

Please contact Kristen Vogt, the Director of STEAM and Innovation, at kristen.vogt@scouting.org or at 312-421-8800 ex 232 for registration and questions.

Location: Room 101 in the Johnson Center, North Park University, 3225 West Foster Ave, Chicago, IL 60625-4895.
