

## **2018-2019 WILDERNESS FIRST AID CERTIFICATION CLASSES**

These classes are intended for scouts/scouters attending high adventure camps in 2019 or any scout/scouter who'd like to complete a WFA certification course.

Course Requirements:

Length: 16 hours (2 Saturdays)

Length of Certification: 2 years

Pre-requisites: Current CPR/AED card is required (we offer this certification during the WFA course); minimum age to attend these sessions is 14

**These classes meet the requirements for Wilderness First Aid established by the Boy Scouts of America.**

The course fee is \$135. The fee is due the morning of the first session. The certification card is provided after successful completion of the class. CPR certification is offered for an additional \$20.

To register contact: Tom Bosworth at 224-888-1243 or e-mail [BSA13@aol.com](mailto:BSA13@aol.com)

These two day sessions will be held at the Bridgeview Community Center 7902 S. Oketo from 9:00am to 5:00pm:

1. Saturdays, October 13th & 20th
2. Saturdays, December 1st & 8th
