Resources to be Prepared

The PTAC Blast team has made available a resources page for volunteers at <http://pathwaytoadventure.com/Blast2017>

There is a website for perspective families to learn about the Blast into Scouting and join Scouting at <http://www.blastintoscouting.org/> .

Units can order flyers to promote the Blast into Scouting by submitting a request through the online order form <https://app.smartsheet.com/b/form/7baa20cb81ea410692abbe22e5c61be8>
Flyers can then be picked up at the Scout Service Center or through arrangements with your [District Executive](#).

There are also resources to use in introducing new families to your unit and Scouting. Here is the link to Top 10 Cub Scout resource links to share with new Cub Scout families. It will help them get them up to speed and active in your Pack.
