

Boy Scouts of America Northwest Suburban Community

Scouting for Food

Cub Scouts, Boy Scouts and Venture units in cooperation with the Letter Carriers will be conducting a food drive to benefit local food pantries on Saturday, November 11th 2017.

As many as 20 million Americans go hungry at least a few days each month. Of these, as many as 4 million are children.

For over 100 years in the United States "Do a Good Turn" has been a scouting ideal. We want you to join us in doing a good turn for those in our community in need by contributing non-perishable food and household items.

Place a bag with your donations outside of your front door by 9 am Saturday November 11th for collection.

Donations of non-perishable food and household items such as the following will be greatly appreciated and help replenish the stock of area food pantries.
