

What do I do next?

- Breathe! Email the pack membership chair (Erika Bailey) at membership@pack222nc.org and let her know of your intent to join. She'll get you all set up.
- Fill out the Youth application and a \$50 check payable to *Cub Scout Pack 222*. Bring the application and check to our next event.
- Turn in the application, check, **and BSA medical form for every family member that will come on any of our outings**. Only parts A and B are required. The form can be found online at the following location:

http://www.scouting.org/filestore/HealthSafety/pdf/680-001_AB.pdf
- Look at the Pack web site: <http://www.pack222nc.org> and bookmark it, as this is our main communication tool other than email.
- Encourage your son to invite a buddy to join with him.
- If you have any questions, or are interested in becoming an adult leader volunteer, please email the Cubmaster (Carl Sommer) at cubmaster@pack222nc.org
- If you would like an adult pack T-shirt (cost is something like \$10-\$15), let us know. We have some inventory on-hand and will do an order again this fall.
- It is our pack's policy that **every adult** complete the online youth protection training, available at www.myscouting.org. You do not need a membership number to complete this training. Once you have completed it, please send a copy of your completion certificate to the Cubmaster.
- We will have a new family orientation either late in the summer or early in the fall. Wait to purchase a uniform until we get closer to that time.
