Registration deadline is Friday, October 4, 2019
(*If you require Youth Protection it will be presented at 12:15 pm -1:30)
There is NO Fee for this training, but it is necessary to register so we have materials on hand

“Everything in scouting is designed to have boys and girls doing things. Activities are used to achieve the aims of Scouting—citizenship training, character development, and personal fitness. Many of the activities happen right in the den and pack” This course provides Tiger, Wolf, Bear and Webelos Den Leaders and Assistants with the information and tools they need to run a successful den meeting.

We believe this statement is at the heart of the Cub Scout program and we have assembled all the information you will need to provide a fun and exciting program for your Den and Pack. We have rounded up the most knowledgeable and enthusiast trainers this side of the Rockies, and we have armed them with all the brand new, fresh off the press information to give you the heads up on the entire program. We take great pride in adding lots of hands-on experience, plenty of time to network with experienced leaders, and tons of warm fuzzies, to make your day informative, exciting, and memorable. We are confident that when you leave this training you will have the materials, enthusiasm and confidence to run an exceptional Scouting program for your boys and girls all year long.

This year we have some really helpful materials that can make the job of the den leaders and Cubmasters a lot easier. Much research has gone into our program, and it promotes advancement which has been shown to improve retention. It has been found that as youth advance, they stay in the program a lot longer, and have more fun. The program has taken a lot of the work out of planning meetings

We have planned a day jam packed with ideas. We will present more information than you can imagine, we hope to inspire and enlighten you, and even feed you some great snacks! There will be time for a little fun and we will examine the serious issues that every leader needs to know. Make a small investment of your time and we guarantee an enormous payback in information and fun.

Our goal is to increase your confidence as a Den Leader, Cubmaster or Committee Member and assure every Scout has a leader trained in the Scout program
