

New Member Coordinator Welcome Course

The following are instructions on accessing and launching the course on the BSA Learn Center. **Please note that this training will not meet all the requirements to make you position trained. Additional training will be launched later this year for meeting this requirement.**

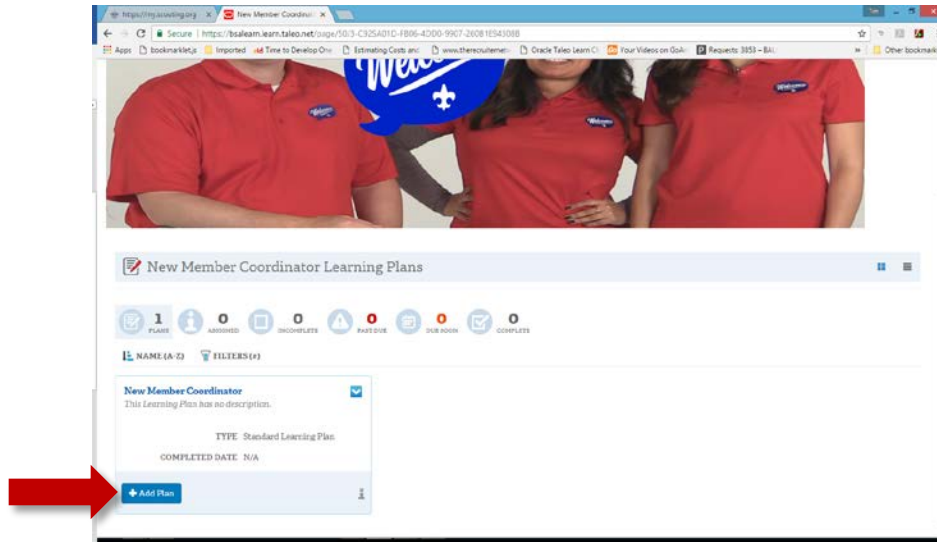

1. Login to my.scouting.org using your username and password.
2. Click on the BSA Learn Center graphic.

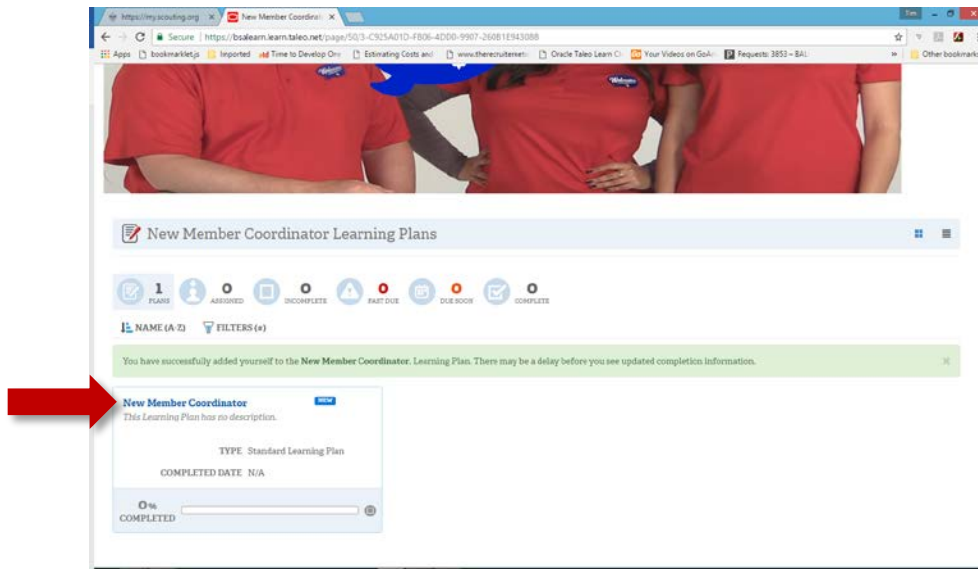

3. Click on New Member Coordinator under the Program Specific Training.

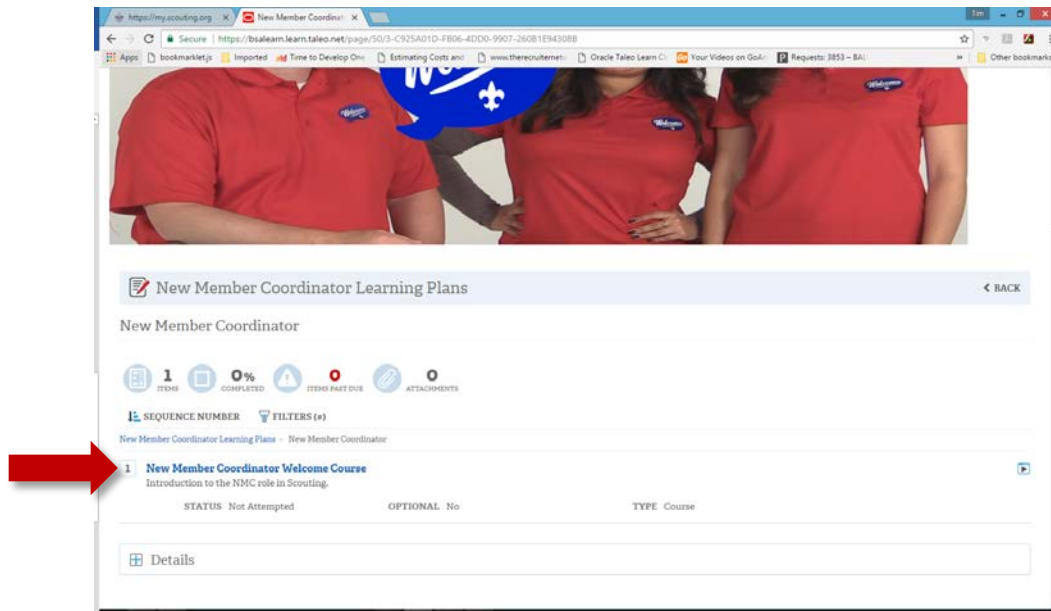

4. From this screen click the Add Plan button

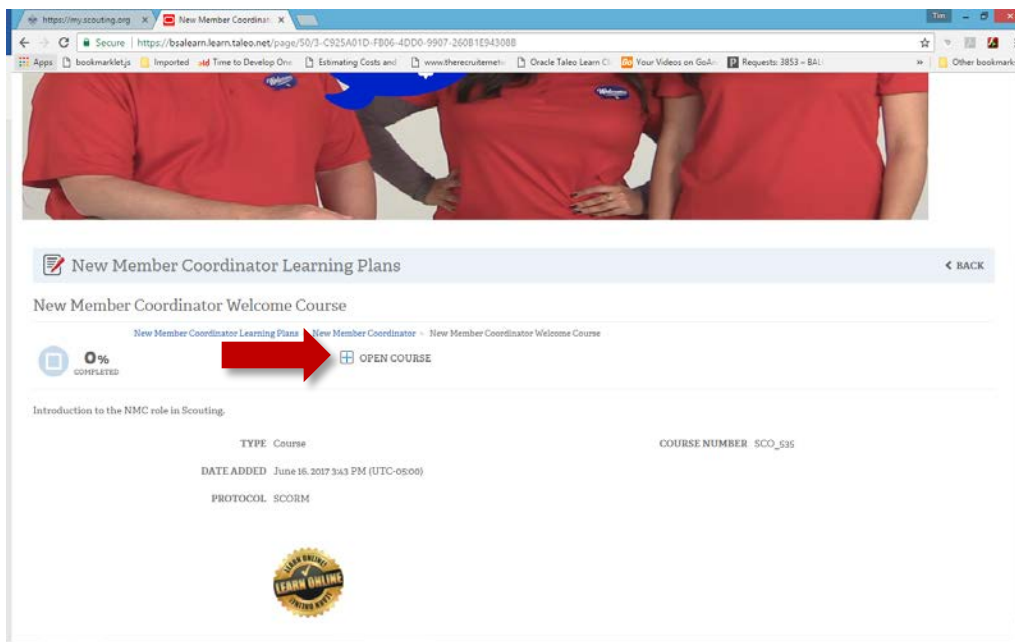

5. You will get a confirmation message for the learning plan, click on New Member Coordinator.

6. The Welcome Course will be displayed, click in the course title to access the course.

7. Click the Open Course button to launch the course.

8. Complete the course.
