

## Monthly Flyers

Signal Hill District has moved to the 21<sup>st</sup> Century and gone green.

Yes, flyers announcing program, training and information of value to Scout leaders and units will be distributed electronically each month to adult leaders. The electronic distribution is designed to get communications more quickly to unit leaders without the time and cost associated with printing, stuffing, and duplicating flyers.

Flyers will be under the Roundtable tab.

If your unit has a Scouting related announcement that you desire to be included in the monthly Roundtable Flyer distribution, send the electronic version; e.g. PDF, JPG, Word .doc to SHCubNews@yahoo.com by 6 pm the last Wednesday of the month. Flyers received after the monthly cut off will be included in the following monthly distribution. Indicate if the flyer is desired to be distributed to Cub Scout, Boy Scout, Venturing or all unit leaders.

Troop invitations for Webelos are also distributed directly to Webelos leaders. They can be sent to [Signal.Hill.NWSC@gmail.com](mailto:Signal.Hill.NWSC@gmail.com) any time of the month.
