

BOY SCOUTS OF AMERICA®
SIGNAL HILL DISTRICT
PATHWAY TO ADVENTURE COUNCIL

Signal Hill District, Pathway to Adventure Unit Service

The **Unit Service** area is one of the four areas of District Operations. This area includes the **Commissioner Corp** and the **Roundtable staff** and activities. Commissioners are district and council leaders who help Scout units succeed. They coach and consult with adult leaders of Cub Scout packs, Boy Scout troops, and Venturing crews. Commissioners help maintain the standards of the Boy Scouts of America. They also oversee the unit charter renewal plan so that each unit re-registers on time with an optimum number of youth and adult members.

There are three types of commissioners:

Administrative Commissioners include the district commissioners, and assistant district commissioners. Their primary responsibilities are recruiting, training, guiding, and evaluating the commissioner staff.

Unit Commissioners are assigned to one or more units, which they serve and counsel. Unit Commissioners are appointed by the district commissioner with the approval of the council executive board.

Roundtable Commissioners provide resources such as program skills and other help for unit personnel at regularly scheduled roundtables.
