

Girls Outdoor Exploring

G.O. EXPLORING!

Girls Outdoor Exploring is a new and innovative program for middle school-aged girls in grades 6th-8th who are looking to participate in adventures, develop their confidence and leadership skills while making lasting friendships.

Girls Outdoor Exploring is part of the Pathway to Adventure Council. This relationship provides our Explorers with a tremendous amount of resources.

If you are or know of a female student who is interested in the outdoors and would like to be part of a special group that goes on overnight camping trips, horseback riding, canoeing, rock climbing, kayaking, repelling, bike trips, hiking or even exploring caves, then this is the place for you. The really cool thing about Girls Outdoor Exploring is... it's just for girls!

Not only do we build upon the timeless values of the Scout Oath and Law, but we also serve our community in various ways by helping out local organizations.

Girls Outdoor Exploring meets at various locations throughout the council and we are also opening new units. If you have questions or interested in joining, please contact Cedric Bodley or Anna Villarreal at

Cedric.Bodley@Scouting.org, Anna.Villarreal@Scouting.org.
