

2017 NRA Shooting Sports Instructor Trainings

BOY SCOUTS OF AMERICA®
PATHWAY TO ADVENTURE COUNCIL

The Council Shooting Sports Committee is committed to offering as many leaders as possible the tools and information they need to properly and safely operate a shooting sports program.

Shooting Sports is one of the biggest highlights of a Scouts career and the courses listed below are designed to help you gain a better understanding of the importance of shooting sports safety and instruction when working with Scouts of all ages. There are several new guidelines coming out from the BSA regarding Shooting Sports and these trainings are also designed to give you knowledge of these new guidelines in order to operate within the rules and regulations of the BSA.
