

Open to all Venturing Crews. Ages 14 to 21.

Owasippe Scout Reservation, commonly referred to as “America’s Premier Scout Camp”, is owned and operated by the Pathway To Adventure Council, Boy Scouts of America. It began operations in 1911 with a limited camping experience getting 40 acres of wilderness property ready for full operation in 1912. The Reservation has operated continuously since that time and now sits on approximately 4800 acres, adjacent to The Manistee National Forest.

With over 100 years of experience, we have a long tradition of Scouting excellence at Owasippe that we would like to share with you. Our camps offer varied programs that will enhance your crew’s camping adventure.
