

FAMILY STORIES Objective Scout will Achieve:	This adventure will help Tigers learn about their families and their heritage
Characteristics Scouts will Learn:	Appreciating diversity and each Scout's unique family heritage • Developing confidence, and encouraging bravery and patience • Being observant • A Scout is courteous
Materials for Virtual Meeting:	Paper, pencil, Pictures of your family (if there is no printer, the Scout can draw them). Internet: article of youth from other parts of the world from a children's book or magazine or article.
Activities during meeting:	Learn to say hello in different languages, learn about your family's customs
Instruction for Activity 1	If possible, have something from your family to use as an example of your family's customs or traditions.
Instruction for Activity 2	Create a family crests that the Tigers will create.
Instruction for Activity 3	1. Create a den family tree using the pictures taken or created at the beginning of the meeting. If a camera and printer are not available, have each Tiger draw a self-portrait to put on the den family tree. 2. Have the Tigers also share their own family trees that they made with their partners.
Instruction for Activity 4	
Additional Requirements needed to complete the Adventure (These requirements will not be on the Virtual Cub Scout Video):	Remind Tigers that they will need to contact a pen pal from the country of their family's origin. This can occur at any time during the adventure, but Tigers should allow time for delays in correspondence. Tigers will also need to interview a grandparent or another family elder to complete requirement
