

Adventure: Ready, Set, Grow

Objective Scout will Achieve:	<ul style="list-style-type: none"> • Demonstrating basic gardening skills and understanding different types of gardens • Exploring where some food comes from • Planting a small container garden
Characteristics Scouts will Learn:	Character development, participatory citizenship, personal fitness
Materials for Virtual Meeting:	<ul style="list-style-type: none"> • Demonstrate using your imagination examples of gardening: outside gardening, greenhouse gardening, or container gardening. Discuss basic skills needed to garden: watering, fertilizing, weeding, managing bugs (both helpful, like ladybugs, and harmful, like cut worms), and knowing when to harvest • Recycled materials to build a large model plant- such as paper towel rolls, wrapping paper rolls, plastic food netting, newspaper, empty cans, masking tape, etc. • Safety scissors and glue • Container Garden Materials: container (recycled item that will hold soil and will have drainage at the bottom), potting soil, seeds, small rocks or pebbles for drainage, mulch on top is optional
Activities during meeting:	Build a Model Plant, Activity Wrap-Up, Follow-up “Make a Container Garden” Activity
Instruction for Activity 1	Build a Model Plant: Build a large model plant on a table or floor using recycled materials.
Instruction for Activity 2	Activity Wrap-Up: Have Lions complete the task on Ready, Set, Grow page of the Lion Adventure Book.
Instruction for Activity 3	Follow-up “Make a Container Garden” Activity: The Scouts will plant their container garden using the information they learned at the previous meeting
Additional Requirements needed to complete the Adventure (These requirements will not be on the Virtual Cub Scout Video):	Visit a Virtual Plant Nursery: Check out Cub Scout Virtual Tours on PTAC Page
