

The Scouting Program is different from other youth programs. Properly delivered the Scout Program provides youth the chance to develop in an age appropriate way to become a self-reliant member of society with positive personal character.

Do you have the knowledge and understanding to deliver the Scouting program the way it was intended for your Cub Scout volunteer position?

Specific training sessions will be provided for:

- **Den Leaders** and **Assistant Den Leaders** (<https://scoutingevent.com/456-26279>)

### **BALOO - Basic Adult Leader Outdoor Orientation Training**

Saturday, May 4, 2019 at 7:30 a.m., through Sunday, May 5, 2019 Noon

St. Peter Lutheran Church & School, 202 E. Schaumburg Road, Schaumburg, Illinois

Camping is the heart of Scouting. For the Cub Scout Pack to go camping there needs to be one or more BALOO trained adult leaders in attendance. BALOO provides Cub Scout leaders the understanding of how to provide Scouts a safe and exciting outdoor camping experience. BALOO training is comprised of two

components—an [online](#) component and this practical, hands-on component. Both components must be completed to qualify as a “TRAINED” Cub Scout outdoor leader. Registration closes April 19.
