

BOY SCOUTS OF AMERICA®  
SIGNAL HILL DISTRICT  
PATHWAY TO ADVENTURE COUNCIL

## Signal Hill District, Pathway to Adventure Council Communities Served and Community Service

The Signal Hill District as part of the Pathway to Adventure Council provides youth in our Illinois communities; Barrington, Barrington Hills, Deer Park, Hawthorn Woods, Inverness, Kildeer, Lake Zurich, Long Grove, North Barrington, Palatine, Rolling Meadows, South Barrington, and Tower Lakes; with the opportunity to develop in to productive future citizens and leaders through instilling in the values and principles of the scout oath and law.

Tangible evidence of service to community are the service projects developed and lead by boys who desire to achieve Eagle Scout. The projects benefit the community in many ways and lay the ground work for youth to understand that citizenship involves contributing to community and taking leadership in making their community better. Following are some of the service projects conducted by Eagle Scouts in the Signal Hill District.

If you have any Eagle Projects successfully completed to include here, please notify [the SH webmaster](#).

### Troop 10 – Barrington United Methodist Church – Barrington, IL

Scout	Eagle attained	Project
Porter	1995	Eco-surveyed and researched how the School District 220 Prairie might be restored.
Michael M	2001	Developed 2 acres of unused Tyler Creek Forest Preserve in Kane County. A service access path was built, habitat piles were built to foster wildlife and a mulched path was created for the public to access

		a small stream that is used for fishing.
Albert	2001	Collected school supply donations for Native American children.
