

Voyageur Trace has created a patch to recognize the generosity and dedication of its District volunteers. The round, limited-edition patch incorporates all of the elements of the Voyageur Trace emblem: pack, moccasins, canoe paddle, and wagon wheel.

There are three rockers that encircle the patch:

- VOLUNTEER** - for those who give of their time serving on a District committee, on the District Commissioner staff, or as a District Member-at-Large
- RECRUITER** - for those who bring new volunteers to serve at the District level
- BENEFACTOR** - recognizing individuals who contribute \$1,000 or more to our District over the course of four years or less.

We greatly appreciate the work and dedication of all of our District volunteers. This first-ever Voyageur Trace patch set is intended to highlight and promote the generous contributions of time, talent and treasure made at the District level. Wear it proudly!

Sincerely,

*Ken*
