The Owasippe Scout Camps

Owasippe consists of several camp operations on one reservation:

Camp Blackhawk – Situated on Big Blue Lake, offers dining hall meal service and program

Camp Wolverine – Situated on Lake Wolverine, offers cooked meals delivered to campsite

High Adventure and Outposts – Offered at a variety of locations around Owasippe

Reneker Family Camp – Cabin camping for families offering exciting programming for all ages

Administration Center

The “Ad Center” is our main reservation office and is centrally located on the Reservation.

Services at the Ad Center include:

Reservation Offices – Our main offices

Main Trading Post – A large facility with a variety of offerings beyond what's available in the section camp trading posts. Worth a visit!

Health Lodge – Our centrally located health office for non-emergency medical assistance. Staffed 24 hours a day by a trained medical professional.

Food Preparation Center (Food Prep) – All meals on the reservation are prepared at this main kitchen facility and delivered to each camp.

E Urner Goodman Scout Museum – An amazing collection of Scouting memorabilia from the past 108 years of Scouting - worth a visit!

Campsites

Owasippe's campsites are numbered, not named. We call our campsite bathroom's KYBOs. Each KYBO has flush toilets, a urinal, a sink, and hot showers. Some campsites share a KYBO with a neighboring site. It is the unit's responsibility to maintain a clean KYBO with cleaning supplies provided by the camp. Units may not wash dishes in the KYBO sink.

Forms and Paperwork

The State of Michigan requires several documents and forms from all adults in camp. This information is detailed in our Leader's Guide as well as on our Camping Resources website. Please review this information carefully and contact us for assistance.

Travel around Owasippe Scout Reservation

Owasippe is a very large scout camp – nearly 5000 acres! There are many activities and locations that are not in quick walking distance for scouts. Scouts will need help from their unit leaders for transportation. Some of these locations are: ATVs, COPE/Climbing, Cycling, Diamond O Horse Ranch, Gerber, Motorboat, Sailing, and Watersports Merit Badges at Blackhawk Aquatics (requires travel for Wolverine Scouts), & the Ad Center.

Food Service

We provide all of your meals, but the preparation varies based on the subcamp that you choose. In Blackhawk, we serve meals in a dining hall. In Wolverine, hot meals are delivered to your campsite at mealtime. Units in Camp Wolverine need to be prepared with mess kits as well as dish washing equipment and supplies.

Pizza Night

An Owasippe tradition is Pizza Night! Units often use pizza night as a special treat for their Scouts. Pizza night does not replace dinner; it is in addition to the meal. Each section camp has a process for units to order and pay for pizza (which comes from a local pizzeria). This is an optional activity. In Blackhawk, pizza night is Thursday night. In Wolverine, it's Friday night after closing campfire.

Garbage Service

To avoid critters in the campsite, garbage should be taken to the garbage receptacle daily. In Wolverine, all garbage must be brought to your hot pack delivery stand each day after dinner by 7pm. In Blackhawk, please bring garbage to the dumpsters near the Camp Office.

Internet Service

Public Wifi for Adult Leaders is available at each section camp office, as well as at the Main Trading Post.

Owasippe Hiking Trail System

Owasippe has a vast network of hiking trails for you and your scouts to explore! The trail system is one of Owasippe's oldest program resources. Many of these routes pre-date Owasippe and served as Native American, Pioneer, and logging routes. Hiking patches and segments are available for purchase in the main Trading Post. Please refer to information on our website regarding trails, maps, and any special details.
