

CAMP WOLVERINE

Camp Wolverine is an Owasippe Scout Reservation camp located on 4,800 acres of wilderness in Western Michigan. Camp Wolverine offers great programs in Scoutcraft, handicraft, shooting sports, ecology, and conservation. The camp's aquatics program is conducted in the large swimming pool near the lodge. Lake Wolverine has a highly protected ecosystem that offers visitors peaceful serenity. Scouts can enjoy fishing and boating on this pristine lake.

Wolverine campers can also experience Owasippe's High Adventure programs, including COPE, Climbing, Mountain Bikes, Horse Ranch, River Canoeing, Lake Tubing, Sailing, Watersports, ATVs (14 and older), and more!

NEW FOR 2021: Wolverine troops can choose the traditional "Hot Pack" meal service (hot and ready meals delivered to your campsite) or troops can eat meals with the Wolverine staff in our Dining Tent! Dining Tent meals are served cafeteria style and include a cereal, yogurt and oatmeal bar every day at breakfast and a salad bar every day at lunch and dinner. If your troop wants to give this a try, you can also choose a combination of both meal styles!

The camp has 25 sites with facilities that include hot water showers, wash stands, and flush toilets. The sites are conducive to camping using the patrol method.

Open to all Scouts in 6th through 12th grade.

For more information contact the Outdoor Adventure Help Desk at (630) 796-4260 or at PTAC.Camping@scouting.org.
