

# NATIONAL YOUTH LEADERSHIP TRAINING SUMMER 2022

National Youth Leadership Training is an exciting, action-packed program designed to provide youth members with leadership skills and experience they can use in their home units and in other situations demanding leadership of self and others.

NYLT transforms the lives of the youth who attend, turning them into the dynamic Leaders of Leaders, and creating the leaders of tomorrow that today so desperately demands. At the course youth teach other youth leadership lessons and skills of leadership. The course models an ideal unit where each day at the course is a week in the life of a unit.

Youth see youth modeling the leadership tools they are teaching, and the participants get to practice and hone the skills they are learning.
