Recharter Preparation for Unit Leaders

What Units can do to prepare:

- Turn in any outstanding applications immediately!
- Check the unit's Be a Scout Pin, instructions are [here](#)
- Make sure the Unit Key 3 and any designees can log into my.scouting.org.
- Double check that your email is correct and one you use.
- Should a unit want to add or change a designee, instructions are [here](#)
- Check the Youth Protection status of all members of their unit, if someone is expiring before the end of the calendar year, they should retake the training. A link on how to access this information is [here](#)
- Any volunteers who are registered with multiple units should inform their units of that and decide which unit will carry the paid position - make all the units aware of the decision. If this is not done, units will have to wait for refunds from National for overpayment.
- The Chartering Organization Agreement needs to be completed. The current agreement can be found [here](#)
