Below the navigation bar is a dark grey banner with two circular logos for Youth Protection training in English and Spanish, with the text "Click logo to take Youth Protection in English or Spanish". The main content area features three promotional tiles. The first tile shows a group of scouts and the text "#ADVENTUREON! 2023 RECRUITMENT RESOURCES". The second tile shows hands stacked together with the text "Diversity, Equity, and Inclusion in Scouting Volunteer Training". The third tile, highlighted with a yellow border, shows a laptop screen with a map and the text "UPDATE UNIT PIN Put Your Scout Unit on the Map! UPDATE YOUR UNIT PIN →". Getting Started

Step 1: Review and update (or create) your my.Scouting profile and security questions.

[Learn more about Google Sign in or Apple ID to log in to my.scouting.](#)

Step 2: Set Up Your BeAScout Unit Pin. This action needs to be taken by the Committee Chair, the Chartered Organization Representative, or the unit leader. The BeAScout unit pin allows prospective members to find you online and apply to your unit.

[PDF Instructions](#)

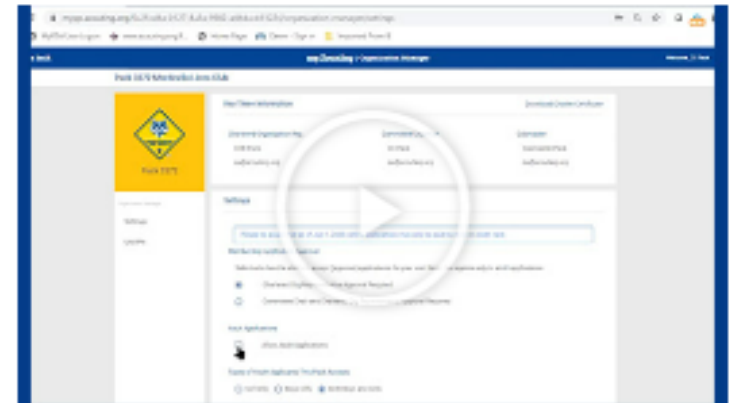

NOTE: There are a total of 5 small tutorials that last an overall total of 31 minutes. The PDF Instructions are a supplement to the tutorials and are captured in the subsequent slides.

Step 3: Configuring Online Registration. This action needs to be taken by the Committee Chair or the Chartered Organization Representative. These configurations allow you to customize the experience with setting such as an automated Welcome email with a personalized message from your unit.

Step 4: Using Position Manager to update registered adult positions. Position Manager allows the Chartered Organization Representative (COR) or the COR delegate to electronically change the registered positions for adult leaders within the same unit. Position Manager Job Aid

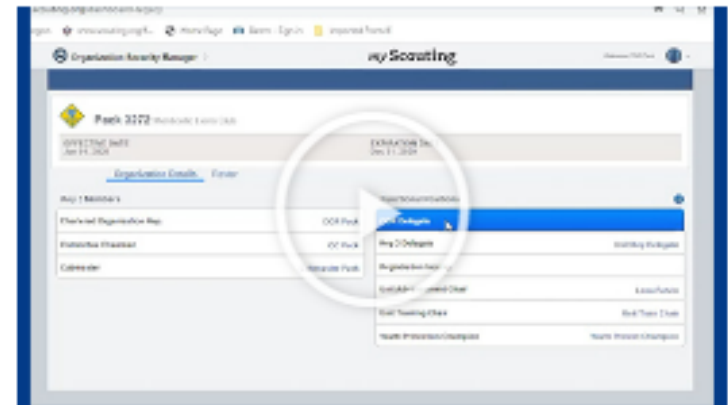

Prepared. For Life.®

Step 5: Assigning Functional Roles in Position Manager. Functional roles that can take action in Online Registration include the COR Delegate, the Key 3 Delegate, and the Registration Inquiry role. The COR Delegate can only be appointed by the Chartered Organization Representative. All other functional roles can be assigned by the Key 3 or their delegates.

Does your unit have a New Member Coordinator? If yes, this would be a responsibility for this individual.

Please see the Appendix section of this presentation for instructions on how to set-up your unit's BeAScout Pin.

Information About Online Registration for Councils and Unit Leaders

The Boy Scouts of America offers an online application process for youth and adults that can be completed from start to finish without a single piece of paper changing hands. This allows prospective members and leaders to register and pay in a way that's convenient for them, and it creates a more efficient and user-friendly registration experience for units, districts, and councils.

The center column indicates the source of the lead and the right column indicates the status, whether it is new, opened, or pending reassignment.

Next, we are going to click on one of these leads to open it

The screenshot displays the Invitation Manager interface. At the top, there are two panels: "Invitation QR - Pack 0195" and "Invitation Link - Pack 0195". The QR panel contains a QR code and a "Download QR Code" button. The Link panel contains a URL "https://my.scouting.org/VES/OnlineReg/" and a "Copy URL" button. Below these panels is a "Leads" section with a search bar and a "VIEW COLOR MATRIX" link. The leads table has columns for Name, Source, and Invitation Status. The table contains three rows of leads, all from "BeAScout". The first lead is "New", the second is "Pending Reassignment", and the third is "Pending Reassignment".

Additional Unit Information:

D. **Add your units Primary Contact information** – this will be the person whose information will be visible when someone clicks on your unit’s pin. It is recommended that you include an email address. The telephone number is optional and will only show if you select to display it. Use the edit button to change the contact information.

E. **Enter your unit’s web address** in the Unit Web Site box.

F. **Add additional information** – frequently asked questions can be addressed here such as what day and time the unit usually meets. This field is optional but can help parents determine if your unit meets their needs before they apply.

- For Packs you may list your den meeting info, such as days and times –remember new parents who have never been in Scouting may be unfamiliar with our program. So, including things like “Tigers meet on Monday” will not be helpful, instead say “1st graders meet Monday”
- For Troops, Teams, Crews, or Ships – you may want to list any specialty areas of interest your unit does such as a Troop that focuses on hiking, or a Crew that focuses on scuba, or a Ship that focuses on sailing small crafts, things that will help people decide if it is the right unit for them.

- G. **Check your unit meeting address and correct if needed.** It will default to your Chartered Organization address. If this is not where your unit meets edit the address so that your meeting location will show on the pin.

If you change the unit meeting address, be sure to click the Locate button so that the latitude and longitude for the address you entered are mapped.

The screenshot shows the 'Unit Meeting Address' section of the 'myScouting / Organization Manager' interface. The 'Unit Meeting Address' section includes fields for 'Address Line 1', 'Address Line 2', 'City', 'State Region', and 'ZIP Code'. A red box highlights these fields, and a red circle highlights the 'Locate' button. A red arrow points from the text above to the 'Locate' button.

The screenshot shows the 'Unit Pin Preview' section of the 'myScouting / Organization Manager' interface. The 'Unit Pin Preview' section includes a preview of the unit pin and a list of fields to display on the pin. A red box highlights the 'Unit Pin Preview' section, and a red arrow points from the text above to the 'Unit Pin Preview' section.

Step 4: Select the fields to display on the unit pin.

The fields you can choose from are displayed in the Unit Pin Preview. The unit type you configured in Settings will automatically show and the apply now online will show if you enabled it in the previous steps.

The fields you select will display in the Unit Pin Preview as you enable them so that you can see what will be displayed on your BeAScout pin.

Only those fields that have the check mark next to them will display in BeAScout

Processing Reassigned Unit Applications

This training covers how to process unit applications that have been reassigned to the district or council. These are applications that have already been paid for by a family, so quick action to reassign back to the originating unit or to find another Scouting unit is important.

Acknowledging “Yes” Answers to Screening Questions

This training covers how the Scout Executive or a person with the Registration Support functional role for the council can acknowledge unit acceptance of an adult volunteer who answered “Yes” to one or more of the screening questions on the adult application. This must be done before the adult application is finalized and released for a Criminal Background Check.
