Fearless Girl NYLT Scholarship

The **Fearless Girl National Youth Leadership Training Fund** is a full-campership started in 2018 by Chicago's financial district to turbocharge leadership development for girls joining the Scouts BSA program. It was launched in response to the need for more female representation at the highest levels of leadership in business.

The Fearless Girl NYLT Fund scholarship qualifications are:

- Only two young women from any one unit can qualify per year.
- Camperships are for any girl in Scouts BSA and for NYLT camp only (PTAC NYLT preferred, but not a must).
- Scoutmaster must recommend candidates from the unit with the link below – Scoutmaster Recommendation Form.
- Scouts must be registered through the regular registration process. Required deposits must be paid up front. Once the Scout completes the training and post-training survey the deposit will be refunded, and the balance will be paid off.
- No-shows will not be refunded; NYLT cancellation policy applies.

Survey results are shared with our donors. Any questions can be sent to myriam.herrera@scouting.org.
