## La Grange Scout Shop Update

Pathway to Adventure Council is dedicated to providing the highest quality customer service to all Scouting families and volunteers. Operating and staffing multiple service centers and Scout Shops is important to that mission. For several months, PTAC has been exploring opportunities to improve its services to families out of the La Grange Center for Scouting. Options including relocating to a new location in the La Grange area or remodeling the current location are all under consideration.

The prospect of a modern service center that better serves the needs of everyone who makes Scouting possible is an exciting one. However, it does come with the need to temporarily modify our services. **The BSA Supply Division will need to temporarily close the La Grange Scout Shop in March to help facilitate this process.**

**The La Grange Scout Shop will operate under normal hours until March 2, 2024. After this date, the La Grange Service Center will remain open, but the Scout Shop will be closed. All other Service Centers and Scout Shops will remain open under their respective hours of operation.**

We understand that this will be an inconvenience for some Scouting families. Pathway to Adventure Council and BSA operate other Scout Shops that can provide items needed for your Scouting programs during this temporary closing. **Locations include Arlington Heights and Naperville in Illinois, and Munster in Indiana. Orders can also be placed online at [www.pathwaytoadventure.org/scout-shop](http://www.pathwaytoadventure.org/scout-shop) or ordered directly from the Munster Scout Shop to be delivered to the La Grange Service Center.**

Pathway to Adventure Council is excited for the possibilities as we look to update and improve our facilities to help support Scouting, and appreciates your support and patience while we conduct our search. We will keep everyone apprised of any new developments in the coming months.
