- **Additional Suggestions:**
 - Do not complete your unit renewal until after December 15th
 - Please make sure you have validated all the information as part of your initial unit renewal process and addressed any errors that can prevent completion of your renewal
 - If you have completed your unit renewal, then complete and submit your Intent to Convert to a Family Troop document
 - All "hold" troops in the pilot do not need to be rechartered
 - For any family troop that has already rechartered its "hold" troop for 2026, National is working on a plan to refund those payments
 - **All rollout segments could continue into January to complete all necessary steps, which is within the Unit Renewal Lapse Period**
 - All options will require verification that your BeAScout Pin and Unit Dashboard reflect your new troop designation
