BIGFOOT BASH CUB-O-REE PROGRAMS

The Betz Thunderbird has invited its cryptid friends for a Bigfoot Bash! Campers will choose to visit different locations where these creatures may be lurking - from the swampy Lagoon to the frozen Arctic. In each area a cryptid can be found through participating in scouting activities. All areas are open throughout the day and campers can participate at their own pace.

Scout Neckerchief Activity-

Campers will be provided a Bigfoot Bash Neckerchief at check in. At each program area, Scouts can stamp an additional print onto the neckerchief's design. At the end of the day, each Scout's neckerchief will show a full scene of Bigfoot, the Thunderbird, and their friends celebrating at the bash!

Mothman's Craft Cave

- At the Handicraft Pavilion, Scouts will be able to participate in cryptid themed crafts, including making their own Moth Man headbands, cryptid masks, and cryptid coloring sheets.
- Scouts can sport their finished cryptid swag throughout the day and their favorite creations will be shown off at the evening's Bigfoot Bash!

Yeti's Arctic Blizzard

- At the STEAM Entrance Pavilion, scouts will participate in COOOO science! Make summer-stable snow, ice cream, gain some engineering skills with an igloo building project, and more!

PROGRAMS CONTINUED...

The Loch Ness Lagoon

- Down at the Aquatics area, Scouts will be challenged with capturing the Loch Ness Monster out of the depths of Lake Chapin from the dock.
- On shore, Scouts will discover cryptids lost to time that have been buried under millennia of dirt, as well as create their own mythical fossils.

Kraken's Lair The Deep Abyss

- In Gilwell Field, Scouts will take on the Kraken by competing in active challenges like crossing the legendary monkey bridge and practicing their BMX skills. Participate in field games, competitions, and one time events throughout the day.

Jackalope's Prairie

- At the North Cabin and in surrounding trails, Scouts will be taken on guided walk through the natural habitats of our woodland cryptid friends, and learn facts about these cryptid creatures along the way.
- Scouts will look through microscopes, magnifying glasses and binoculars to get up close and personal with feathers, fur and flippers.

Unicorn Range

- Up at Shooting Sports, Scouts can participate in their classic favorites - BBs, Archery and Slingshot - and hone other range skills like lassoing, horseshoe and ring toss as well!

PROGRAMS CONTINUED...
